Journey At A Glance

Performance over the years

Sales Turnover of Group Companies Business in ₹ Lakhs.

Product details of group companies

Machine Part:-

- ☐ Conveyors & Automations
- ☐ Inspection Machines, Pressing Machines
- ☐ Die , Jigs & Fixtures, Air Gauges
- ☐ Washing Machines, & All Type Of SPM Machine

Production Part:-

- ☐ High Precision Machined Parts
- ☐ Cold Forging Parts
- ☐ Rubber & Plastic Parts

Project:-

- ☐ Complete Greenfield Project for M/s Som Autotech (Initial Conception to Mass Production)
- ☐ In-house design Facility 3D Solid Works with One Number Work Station

Facilities :- Sunrise Engineering

MILLING MACHINE

WIRE CUT MACHINE

Welding MACHINE

Facilities :- Sunrise Engineering

Facilities :- Group Companies

1. Traub
2. Hydraulic Press
3. CNC Lathe Machine
4. VMC Machine
5. Drill Machine
6. CMM Machine

- State of art in house facility Manufacturing Of Cold Forge , Machined & Fabricated Product
- The facility includes all latest machines
- Due to in house availability all of facilities the development of new components is very fast.
- Rubber , Plastic Parts & Machine Automation through Group Companies.

Facilities :- Sunrise Engineering

1. CMM
2. Digital Height Gauge
3. Surface Roughness Tester
4. Micrometer
5. Vernier
6. Hardness Tester
7. Attribute Gauges

- All Required Measuring Instrument is available with us
